ONE DAY TO GO! PIPSEE NEEDS EVERYONE HERE!
Attendance has been fantastic this week! It has been wonderful to see students wanting to achieve our Top Attendance goal. We have one more day and we need everyone here.

GO THABEBAN! PIPSEE IS COUNTING ON EACH OF US TO TURN UP TOMORROW!

We won’t let her down!

INTER-HOUSE ATHLETICS CARNIVAL (Sports Day)
Last Thursday we saw an excellent display of athletic ability and CARE. Results of the day are below, however, every child tried their hardest, cheered for their team and showed plenty of respect for others.

Overall Winner - Chappell
March Past - Laver
Principal’s Relay - Wickham
Ball Games - Chappell

THREE WAY REPORT CARD INTERVIEWS
Report Cards will be handed out to parents/caregivers at Three Way Report Card Interviews starting in Week 2 next term. The interview period starts on Monday, 18 July. Teachers will send home information on meeting times at the start of the term.

Please take this opportunity to visit the school with your child and together you can speak with your child’s teacher about the achievements of your child over the past semester and how he/she can learn and achieve for the rest of the year.

YR 6 CAMP – TALLEBUDGERA BEACH SEPT 5 – 9
Parents/Caregivers are reminded that your weekly payment is due. We must have 12 students with all payments made by the end of this term for the camp to go ahead.

GOLD UNIFORM SHIRT SOLD OUT
Due to the fact that we are in the last 6 months of the students being able to wear the old gold uniform, we have some to sell for only a gold coin donation. If you need some for this last 6 months, come and see us.
CHAMPIONS READ
(and read and read and read)!

READING COMPREHENSION:

COMPREHENSION is understanding the text we’re reading. The focus comprehension strategy in Year 3 to 6 for this week (and last) is SYNTHESISING!

What is SYNTHESISING?

• Synthesising is when readers combine their own prior knowledge with new ideas or information to create something new.
• Synthesising supports reading comprehension because it requires readers to combine their prior knowledge with new knowledge and put it into their own words and understanding. This creates ownership of the thinking and makes it more likely that the reader will remember the information.

SSP (SPEECH SOUND PICS)

SSP in the classroom

Last week I described the first activity in the Speedy Six activities. All our classrooms from Prep to Year 6 are involved with the Speedy Six activities several times a week. The students love the activities and there is much learning that occurs.

Activity 2 is Code Map the Speech Sounds in a Word—The teacher will write a word on the board. This could be a word that students need for another curriculum area, a tricky word found in someone’s writing or just a word that the teacher knows will provide some useful teaching around spelling. The teacher will tell the students what the word is and talk about its meaning, origin etc. and use it in a sentence.

The aim is to code words that lead to new learning. So even students who aren’t super spellers can still listen for speech sounds and understand high level words.

Students copy the word to their whiteboards, then duck hand it to decide how many sounds they hear. They will underline the speech sounds and number them e.g. dictionary.

The students and teacher will discuss how many and decide on the correct number of sounds. Students will work together to help each other see that when your mouth changes a new sound starts.

Term 3, Week 1&2: Predicting

Enjoy your break,
Mrs D

It’s almost holiday time. We start Term 3 on Monday July 11. That’s 16 days away from school. If you read for 10 minutes each day that adds up to 2 hour and 40 minutes. If you read for 20 minutes each day, that adds up to 5 hours and 20 minutes. It adds up fast! How many minutes will you read in the next 16 days?
