This is how CHAMPIONS READ
CHAMPIONS READ (read, read and read)

READING COMPREHENSION: is understanding the text we’re reading.

The focus comprehension strategy in Year 3 to 6 for this week (and next) is ‘MAKING CONNECTIONS’.

MAKING CONNECTIONS is when readers make links or association between what they read and their prior knowledge.

There are three kinds of connections readers can make:
1) Text to self—when what is being read has a connection to the reader’s personal experience.
2) Text to text—when what is being read can be connection with other texts.
3) Text to world—when the reader relates what is being read to the wider world.

We don’t always make a connection with every text we read but any connection made helps to enhance our understanding (comprehension) of the text. The more connections made, the more likely it is that the reader will understand the text.

SSP (SPEECH SOUND PICS)

SSP Parent/Carer Session Wednesday afternoons from 2.30 p.m. to 3.00 p.m.

Next week, I will repeat the same session that I had ready for yesterday. I will walk you through the Spelling Strategy, show you what Speedy Paired Decoding looks like and talk about how you can use these at home.

I will again have the help of some very capable students from Prep, Year 1 or Year 2.

This session will be the same in Week 7 & 8 so there is plenty of chance for you to organize to be here for one of those half hours.

Cheers for now, Mrs D
