More than 7 Days Away Each Term

**PIPSEE POSSUM IS STARTING TO SMILE**

On Tuesday, Wednesday and today we had top attendance. With only around 5 students away each day. These kids were genuinely sick. There were no excuses, children attended school and Pipsee would like to say thank you.

Our biggest attendance challenges are Fridays and Mondays. So let's keep Pipsee happy and come to school on these days too.

**Top Branches** Dark Green (95 – 100% attendance)
Children with 0-2 days absence each term

**Middle Branches** Light Green (90 – 95% attendance)
Children with 3-4 days absence each term

**Lower Branches** Yellow (85-90% attendance)
Children with 5-7 days absence each term

**Fallen out of the Tree** Red (Less than 85% attendance)
Children with more than 7 days absence each term

Our target is to get everyone into the top branches with Pipsee Possum (95% attendance)

COME TO SCHOOL EVERYDAY, NO EXCUSES!

**TERM 3 STUDENT COUNCILLOR**

Congratulations to Ashlin Bullock who received her Student Councillor badge from outgoing Term 2 Student Councillor Dominic Chapman on parade.
Congratulations to the following students who made Thabeban’s Athletic team. We know you will do us proud.

**JUMPS DAY**
Thursday 4 August
200m, 800m, Spot Put, Long Jump

- Nekeah Bromley
- Amara Price

Boys
- Shane Robinson
- Tyson Funnell-Ridge
- Tyrell Cummins
- Stephen Duke
- Nicolas Lythall
- Xapheniah Tanner
- Imran Ozturk
- Matthew Telfer
- Kye Reinke
- Jacob Sanderson
- Logan Findlay
- Cooper Bailey
- Hakan Ozturk
- Jacob Ingram

**SALTER OVAL**
Friday 5 August
Sprint, Relay, Ball Games

Girls
- Tarya Close
- Ayla Carver
- Zoeylee Hansen
- Romona Tanner
- April Hanser
- Honey Close
- Fiona Robinson
- Layleigh Little
- Nekeah Bromley

Boys
- William Dinduck
- Hayden Ferguson
- Shane Robinson
- Tyson Funnell-Ridge
- Xapheniah Tanner
- Imran Ozturk
- Matthew Telfer
- Kye Reinke
- Jacob Sanderson
- Logan Findlay
- Cooper Bailey
- Hakan Ozturk

**WOOLWORTHS EARN & LEARN 2017**
This year we will be participating in the Woolworths Earn & Learn program again. Through this program we will be able to get new educational resources for our school/playgroup.

From now until Tuesday 19 September, we are collecting Woolworths Earn & Learn Stickers.
**Sticker forms are now available at the office. Do you have one?**

**CURTAIN NEEDED**
Year 1 are in desperate need of curtains to block out the glare to help with their learning. If you have any spare that you can donate, please bring them to the school. The

**Works overview**
The Department of Transport and Main Roads will soon start asphalt resurfacing works on various sections of Bundamba Road and the Yellow Waterholes Roadway in Bundaberg. Works involve removing sections of the existing road surface pavement and placing a new layer of asphalt to provide smoother travelling conditions. Marked cycle lanes will also be put in place on both sides of the road between Kapani Crescent and High Street.

Works are due to start from August/September and be completed in October, weather permitting. The majority will be conducted at night between 6pm and 6am when traffic volumes are lower. Some day works will also be required.

In advance of works starting, electronic variable message signs will be put in place at each end of the project sites displaying specific work dates. Motorists and residents are urged to observe the dates on the signs which will be updated following any changes in the program of works.

The department thanks you in advance for your patience and cooperation while these works are carried out.

**What to expect**
During the night works, nearby residents, businesses and road users can expect the following:

- Audible construction noise: Heavy machinery will be in use during the work period, resulting in localized noise impacts. The department understands the inconvenience this may cause. Working at night allows the team to complete the works as quickly as possible as traffic volumes are much lower during these hours.
- Work hours: Night works will be scheduled to occur early in the work period. The project team will take steps to reduce these impacts wherever possible.
- Temporary beacons and flashing lights: These are important safety requirements and will be used at all times during work hours, with every effort made to minimise impacts wherever possible.
- Construction dust: Construction activities may generate some dust impacts. The project team will monitor dust levels and implement water trucks, as required.

**Roadside parking restrictions:** No parking will be permitted on the road shoulder within works sites during the specified work period to ensure the safety of workers and to prevent vehicle damage.

- Private property access restrictions: Vehicle access to private property may be temporarily restricted within active sites for a short period of time. The team will endeavour to minimise any access restrictions and will advise any affected property owners of intermittent access disruptions where possible.
- Changed traffic conditions: A speed restriction, lane closures and potential detours may be in place during the works. Motorists should expect minor traffic delays and are urged to drive to the changed conditions and obey all signage and traffic controllers’ directions.
