Term 3 Week 7
30 August 2018

Top Attenders

Students of the Week

Adults - Providing Quality Teaching and Support

Everyone - With High Expectations and Care
Dear students, parents and friends.

Thank you to those people who attended our P&C Meeting yesterday. It was great to be able to share with our attendees important information about updates to the school’s Responsible Behaviour Plan for Students, school finance information and details about our school’s enrolments. If you would like to attend our meetings our next P&C Meeting will be held on October 17th.

This Friday we will be drawing the Father’s Day Raffle at 1:15pm in the Hall. David Batt MP will be in attendance to draw the raffle and we look forward to one lucky parent winning the fantastic Weber BBQ.

Last week our students celebrated Book Week. It was a fantastic week of fun and excitement with many great events being held across the week. A big thank you to Mrs Baillie who put in a massive effort organising and running many of the week’s activities. The highlight for many was the Read to Grow excursion, our Book Fair and dress up day.

From the HPE desk – by Miss Russell

This term Prep/1, 1/2, 2/3 & 3/4 have continued to have Health lessons on Monday. Preps having been exploring the different emotions we experience with activities to practice ways to interact with others in a variety of settings.

1/2 and 2/3s have been exploring safe and unsafe situations so that they understand their responsibility in staying safe. They having been examining the safety clues that can be used in situations and identify the emotions they feel in response to safe and unsafe situations. 1/2 and 2/3s will be considering different aspects of sun safety and how they can be promoting their health, safety and wellbeing.

3/4s having been participating in partner and group activities to explore the communication skills of respect and empathy and how they support positive interactions. They investigate how heritage and culture contribute to identity.

A little friendly reminder, that next term we will be having swimming lessons starting on Monday 29 October for 6 weeks. We have applied for a grant to help with the cost of swimming. The cost for swimming this year will be $30, you are welcome to pop in to see our wonderful admin ladies to start paying it off. Thank you for your support in our up and coming swimming program.

Sincerely

Mick Lawrance
Principal
1/2 CLASSROOM CHAT
Read to Grow
On Wednesday 22 August 2018, Year 1/2 went to Alexander Park, Bundaberg for the "Read to Grow' fun day which was organised by Bundaberg State High School. It was a beautiful day. The students participated in face painting, various readings of different books, arts and craft, yoga and a ball game. In the picture, students are viewing a Human Powered Vehicle. Fresh fruit and water was supplied by Woolworths.

YEAR 4/5 CLASS NEWS
His term as part of our Maths unit, we are exploring the transformations of 2D shapes. Transformations of shapes simply mean the different ways that shapes can change their positions. Transformations include rotations, reflections and translations.

I am so impressed with how the year 4/5 class have handled 'challenge' reflection activities. Through ‘challenge’ activities, I have seen our CARE code shine through.

Cooperation – students working together to help each other complete the challenge tasks
Acceptance – students accepting mistakes they made while attempting the challenge activities
Respect – students respecting their peers by remaining on task
Effort – students NEVER giving up!

P&C MATTERS
Drawn tomorrow at 1:15pm.

Let's support your school.
